

It's A Good Time Do At Home Projects

Safe Ways To Shop

You can come in and browse while keeping a safe distance from anyone. We are cleaning our counters off after each customer has been in.

You can shop without coming into the store: Call us or email us for what you are looking for. We can send you images of the wallcovering which fits your description. Select what you want, give us the quantity and paint, paste, or tools you need. Pay with a credit card and we will put up the order and meet you at our parking lot door with your order.

Email us at kenny@amwall.com with questions of what you are looking for and we will help you find it and order it for you. You can pick it up at our door without coming in. Just call us at: 508-672-3751 when you are at the door and ready to pick up.
